Allow me a moment of your time to introduce you to Valley Foods, Inc. We are a family owned business out of Youngstown, Ohio. We have been an Ohio Corporation for over 50 years. In that time our business focus has been geared toward the manufacturing and delivery of foods to institutions such as schools and Senior meal services.

In 1995, we began a pilot program with 13 or so units of the Ohio National Guard. That program was so successful that it was expanded to the entire State in 1996. In August of 1998, we began serving the units that train at Fort Indiantown Gap for the Pennsylvania Army National Guard and some Army Reserve units that are located close to Fort Indiantown Gap. In January of 1999, we began delivery of rations to all the units at home station throughout Pennsylvania for the Army National Guard. Later that year we were fortunate to obtain the contract to serve the units of the Virginia Army National Guard and others at Fort Pickett and throughout the State. In 2008 we have began serving the Kansas Army National Guard out of our new facility in Topeka. And in 2015 we started serving the Maryland Army National Guard out of Fort Indiantown Gap and the Indiana National Guard from our facility in Indianapolis.

We look forward to serving you. You will find out that we pride ourselves on customer service. Our people are trained to serve you and hence the soldiers with the finest foods, delivered with speed and accuracy. Our objective is to exceed your expectations. If we can assist you in anyway, please feel free to call Jim Stizza or Donny Ortiz.

The following is a booklet of the menu with issue factors, along with a condiment list specifically designed for the MDARNG. This booklet is a guideline as to what will be issued with each meal ordered. The quantities listed are the quantities per 100 Soldiers.

We are committed to serve you. However, we are not authorized to provide services beyond the scope of our commitment to the MDARNG. Your approving authority must process all ration and/or special requests. As we have in the past, we will continue to work with the Food Service Management Board and others, to further enhance our services. Any input from you will be appreciated.

We look forward to the challenge and we thank you for giving us the opportunity to *serve those who serve for us*.

Sincerely,

Jim Stizza
Donny Ortiz
